

The Bass Buggie

Introducing the safe, easy, affordable, and secure way to transport your Double Bass.

- Does not put pressure on the lower block like an end-pin wheel (including bumps in the walkway).
- Allows the bass to stand upright.
- Works indoors as well as outdoors!
- Easily adjusts to any size bass from 1/10 to 4/4.
- Can strap onto the bass body in seconds, with or without a bag.
- Made in the U.S.A.

Price: \$120

Compare a Bass Wheel to the Bass Buggie
